

## Equipment Repair & Services Form

For repair and services, please provide complete information. Please fill out one form per item being sent in for repairs. Email your filled out form to [equipment.services@rescuecanada.ca](mailto:equipment.services@rescuecanada.ca) and you will be contacted by our repairs specialist on how to proceed. We will make every effort to process it in a timely manner. Please note, the minimum turnaround time for repairs is 2 weeks.
